

ÉCOLE SECONDAIRE CATHOLIQUE BLESSED TRINITY
EXAMEN ORAL: JANVIER 2015

DIRECTIONS IN PREPARING FOR YOUR ORAL EXAM :

1. Complete, in **French**, the portfolio provided in its **entirety**: point-form is acceptable.
2. Bring your portfolio with you for your oral exam. **DO NOT FORGET!!**
3. While you are preparing, you **must** also consider the questions that have been provided for each section.
4. No, you do not need to provide answers in written format to those questions but you must be prepared to answer any of those questions during your oral exam – be prepared!!!
5. The oral exam will be conducted as a dialogue between you and your instructor therefore, you must remember the conventions of a good dialogue, i.e. greeting, exchange between both parties during the dialogue, appropriate salutation.
6. During the oral exam, your instructor will ask you questions related to the information that you have provided on your portfolio therefore, every dialogue will, in essence, be unique.
7. Complete the portfolio **independently**.

Here is what your instructor will be looking for:

Student:

- 1) is able to express himself/herself confidently using appropriate French vocabulary.
- 2) uses good pronunciation, intonation and expression in their voice.
- 3) speaks fluidly and does not stumble over every other word.
- 4) has prepared and can answer any and all questions asked of him/her based on the information provided in the portfolio.
- 5) speaks using proper sentence structure.
- 6) uses the conventions of a good dialogue.
- 7) uses appropriate language to express himself/herself.

Some helpful hints!!

- 1) Get started immediately – do not wait until it is too late – you will not be as successful
- 2) Use the resources at your disposal for the language you require
- 3) Do not attempt to memorize – we want to see if you are able to hold a conversation in French – this is what communication is all about.
- 4) Ask for assistance if needed

NB: The oral exam is worth 7 ½% of your final mark. As per school policy, a doctor's note is required for an exam to be rescheduled.

Some exams will be held both during class time and outside of class time, i.e. lunch hour. It is your responsibility to be present in the given location, at the given time, and prepared to perform, i.e. **YOU MUST HAVE YOUR PORTFOLIO WITH YOU.**

Your oral exam has been scheduled for _____.

Your reading exam has been scheduled for Thursday, January 22nd, 2015 during class time.
